Territorial Republican Central Com-  
mittee Call.

To the members of the Territorial Re-  
publican Central Committee of New  
Mexico:

You are hereby notified that a meet-  
ing of the territorial republican central  
committee of the territory of New  
Mexico will be held in Albuquerque on  
Friday, August 22, 1902, for the pur-  
pose of fixing the date and place to  
hold the territorial republican conven-  
tion to nominate a candidate for dele-  
gate to the Fifty-eighth congress of the  
United States and for the considera-  
tion of such other matters as may  
properly come before said committee.  
It is hoped that all members will be  
present at said meeting, as matters of  
importance for the interest of the re-  
publican party of the territory will be  
considered. Very truly yours,  
FRANK A. HUBBELL,  
Chairman Territorial Republican Cen-  
tral Committee.

For Delegate to Congress  
B. S. RODEY.

New Jersey now manufactures Pue-  
blo Indian pottery, and Navajo blankets  
are being made at Philadelphia.

That little row in republican polit-  
ical circles at Santa Fe should be com-  
promised at the earliest possible date.

The impression is gaining strength  
with each batch of Venezuelan war  
news that what Venezuela needs in the  
present emergency is policemen.

The Colorado Fuel & Iron company  
officials are making a big fight for con-  
trol of that corporation. John W.  
Gates wants to lose the big concern.

The total immigration into Canada  
for the fiscal year ended June 30 footed  
up over 70,000 persons, Americans be-  
ing the largest number by nationality.

Democratic newspapers are endeavor-  
ing to make it appear that there is  
friction in republican ranks in this ter-  
ritory. The wish in this instance is  
father to the thought.

The Citizen is informed that the  
slight political differences between re-  
publican leaders at Las Vegas have all  
been satisfactorily settled, and that  
San Miguel county is good for 1,000  
majority at the November election.

The territorial republican central  
committee will meet in this city next  
Friday, and select place and time of  
holding the convention to nominate  
the next delegate to congress. Raton  
wants the convention and that place  
will probably be selected by the com-  
mittee.

Shipbuilding on the great lakes is  
assuming remarkable proportions. Last  
year forty-three steel vessels were  
built for service on these inland seas,  
costing about \$10,500,000, and there  
are orders pending for twenty-eight  
more of the same type, which will cost  
\$7,250,000.

The number of saloons in Washing-  
ton will soon be reduced by nearly  
half. There are now about 513 bars,  
including clubs, hotels and all places  
where intoxicating drinks are sold.  
These bars have been paying a tax of  
\$400 a year as license fee. This fee

instrument. This captain of industry  
cannot stand the strain; no human  
mind can; and the organization of the  
administrative of these great corpora-  
tions which demand this abnormal ac-  
tivity is defective.

Quick Relief for Asthma Sufferers.  
Foley's Honey and Tar affords im-  
mediate relief to asthma sufferers in  
the worst stages and if taken in time  
will effect a cure.—Alvarado Phar-  
macy.

Territorial Insane Asylum.  
There are at present 113 patients at  
the asylum for the insane here, fifty  
of whom are females, the largest in  
the history of the institution. There  
is room at the utmost capacity for  
not more than three additional pa-  
tients and this many are said to be  
already on the way to this city. There  
are also unfortunate being held in  
several county jails of the territory  
for the reason that accommodations  
cannot be provided for them at the  
asylum.—Las Vegas Optic.

A World Wide Reputation.  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy has a world wide  
reputation for its cures. It never fails  
and is pleasant and safe to take. For  
sale by all druggists.

Marble Quarry in Lincoln County.  
The extensive marble quarries about  
two and a half miles east of Alamogordo  
have just been sold to El Paso  
parties, who will at once put in a large  
marble sawing and polishing plant. A  
spur has been surveyed and will be  
constructed from the El Paso Rock Is-  
land railway, a distance of three miles,  
to the marble deposits. This stone is  
pronounced superior to building ma-  
terial that is used in El Paso and  
hailed from the eastern states. Its  
use heretofore has been greatly ham-  
pered by the great expense of getting  
it to the cars.

Just Look at Her.  
Whence came that sprightly step  
faultless skin, rich, rosy complexion,  
smiling face. She looks good, feels  
good. Here's her secret. She uses Dr.  
King's New Life Pills. Result, — all  
organs active, digestion good, no head-  
aches, no chance for "blues." Try  
them yourself. Only 25c. at all drug-  
gists.

The Territorial Fair.  
The territorial fair at Albuquerque  
promises this year to be the greatest  
event of the kind ever held in the west.  
B. T. B. Hyde, of the Exploring Ex-  
pedition, has authorized Manager Browne  
to assist Richard Wetherill in making  
the Navajo Indian show the biggest  
feature of the kind ever attempted in  
the United States. The intention is  
to organize a caravan of prominent  
San Juan county citizens in carriages,  
and accompanied by fifty freight teams  
laden with fruits and several hundred  
Navajo Indians with 500 or 1,000  
ponies, make the trip overland from  
Farmington to Albuquerque, making  
four spectacular camps on the way  
over. The departure from here will be  
made about October 9.—Farmington  
Hustler.

A Cure for Cholera Infantum.  
"Last May," says Mrs. Curtis Baker,  
of Bookwalter, Ohio, "an infant child  
of our neighbor's was suffering from  
cholera infantum. The doctor had  
given up all hopes of recovery. I took  
a bottle of Chamberlain's Colic,  
Cholera and Diarrhoea Remedy to the  
house, telling them I felt sure it would  
do good if used according to direc-  
tions. In two days' time the child had  
fully recovered, and is now (nearly a  
year since) a vigorous, healthy girl.  
I have recommended this Remedy fre-  
quently and have never known it to  
fail in any single instance." For sale  
by all druggists.

nurse in the Children's Home in New  
York, treated children successfully  
with a remedy, now prepared and placed  
in the drug stores, called Mother

to take and never fail. A certain cure

ache, teething and stomach disorders
